PROSPECTUS OF THE MYSORE DASARA INDUSTRIAL AND AGRICULTURAL EXHIBITION OF 1908.

INTRODUCTORY.

With the sanction of the Government of His Highness the Maharaja of Mysore, the Committee issue the following prospectus in connection with the Exhibition of 1908.

2. *Opening of the Exhibition.*—This year the Exhibition will commence on Wednesday, 30th September, 1908, and close on Wednesday, 14th October, 1908. The cattle show will begin on Tuesday, 6th October, and close on Thursday 8th. From the experience of last year it may be observed that the show offers a good opportunity for people desirous of purchasing good specimens of Mysore cattle.

3. *Object of the Exhibition.*—The primary aim of the Committee is to impart to the Exhibition an educative character and to bring together articles, machinery, and processes the use of which it is desirable to bring to the notice of the raiyat, the artizan and the manufacturer by actual demonstration. But as the exhibition of solitary samples may not afford sufficient information and may not be attractive to the visiting public, articles intended for sale will also be admitted.

4. *Articles on sale* versus *samples.*—Articles on a large scale sent merely for sale will have to be kept in separate stalls and under the charge of the exhibitors or their agents. There is no objection to the sale of samples, but they will not be allowed to be removed from the Exhibition grounds till the termination of the show. Articles admitted for purposes of sale alone may be removed after purchase. But no article will be allowed to leave the Exhibition grounds without a gate pass.

5. *Plan of the buildings.*—A plan of the Exhibition grounds and buildings and the extent of covered and open space available is appended to this prospectus. Those who desire to have

special facilities for the sale of articles or demonstration of processes are requested to place themselves in communication with the Secretary to the Exhibition Committee.

6. *Lectures and Demonstrations.*—Lectures will be delivered by competent persons in English and Kanarese on subjects connected with industry, agriculture, health and sanitation, the value of agricultural implements and machines, their cost, construction and repair. Arrangements will also be made for holding a competition on the Exhibition grounds in ploughing and weaving and processes connected therewith. The exact time and place of the lectures and demonstrations will be announced later on by handbills and notices.

7. *Donations.*—The Committee would thankfully accept donations for awarding prizes or medals from individuals or Associations desiring to give an impetus to any special branch of agriculture or industry.

8 *Classification of Exhibits.*—The Exhibition of 1908 will be confined to the main groups and sub-heads indicated in the prize list subjoined to this prospectus.

9. *Open to all India* —The Committee invite exhibits from all the Districts in the State as well as from outside. They also appeal to the various Agricultural Departments and Associations in other parts of India, Burma and Ceylon to help them with exhibits and suggestions.

10. *Judges* - Leading raiyats and non-official gentlemen will be invited to assist the Committee in judging the exhibits.

11. *Admission fees for visitors.*—An admission fee of annas two per head will be levied each time a person enters the Exhibition buildings. There will be no season tickets nor family tickets nor special tickets at half rates for pupils Only children in arms who are less than three years of age will be admitted free.

RULES AND REGULATIONS.

1. *Noxious Articles.*—Explosives or any substance noxious or dangerous will not be admitted by the Committee.

2. *Particulars re exhibits*—Intending exhibitors are requested to send to the Secretary to the Exhibition Committee particulars of exhibits they intend to forward and the amount of space which their exhibits may take up in Form A appended to this prospectus. Printed forms may be obtained from the District, Divisional and Taluk offices, or from the Secretary to the Committee; plain paper of foolscap size may also be used provided all the headings in the form are properly copied and filled up.

3. *Applications from exhibitors.*—Applications in Form A should reach the Secretary to the Committee not later than 1st August 1908. Each application should contain a post card on which the address and post town of the exhibitor are legibly written.

4. *Lists from Taluks.*—Deputy Commissioners of Districts, Sub-Divisional Officers and Amildars of Taluks are requested to convene, as early as possible, a meeting of the leading artizans, raiyats and merchants residing within their respective charges, to explain to them fully the object and scope of the exhibition and to distribute to them forms of application, to have them filled up by intending exhibitors and to forward them to the Secretary to the Committee. This will give the Committee an idea of the total space required and enable the exhibitors to make a good choice of the exhibits by preventing a number of them from sending exhibits of the same quality and description.

5. *Articles not enumerated.*—The classified list of prizes will show the nature of articles which can compete at the exhibition. Articles not specially enumerated in the prize list may, however, be admitted by the Committee at their discretion.

6. *No fees to be charged for exhibits.*—No fees will be charged for the admission or registration of the exhibits or for the space allowed for them.

7. *Acceptance of exhibits.*—The Committee reserve to themselves absolute discretion as regards the acceptance and rejection of exhibits and the allotment of space covered or uncovered.

8. *Delivery of exhibits.*—Articles intended for the exhibition may be brought by the exhibitor or his agent or servant and delivered at the Exhibition ground or sent by post or railway or through the Deputy Commissioners of Districts.

9. *Payment of freight and transport charges.*—No exhibits in respect of which the necessary freight or transport charges have not been paid by the exhibitor, will be accepted by the Committee.

10. *List of particulars.*—All packages received or delivered and all implements and machinery intended for the exhibition must bear a label specifying the name and number of exhibits and the registered number of the exhibitor and must be addressed to the Secretary. They must contain a list, in duplicate, showing the name or description of the article, its price,

the place of production or manufacture, name of the manufacturer or exhibitor. In the case of exhibits in the Agricultural section, essential particulars such as the season of sowing, the soil on which they are grown, the quantity of seed per acre, the manure used, whether any irrigation is required, the time required for the maturing of crop, the average yield per acre, and any other interesting details regarding cultivation should be given.

11. *Exhibits which have already won prizes.*—Exhibits which have won prizes or medals in the Mysore Exhibitions of 1906 and 1907 are precluded from competing for prizes, though there is no objection to their being accepted for purposes of show or sale.

12 *Date of delivery of exhibits.*—Intending exhibitors are requested to send the exhibit so as to reach Mysore on the 10th September 1908, from which date the Committee will arrange to take charge of exhibits. **But no exhibits will be received after the 23rd September 1908.**

13. *Belated exhibits.*—Articles that are not delivered at the Exhibition Hall in the time fixed may be admitted at the discretion of the Committee subsequent to the dates mentioned in para 12, but shall not be entitled to compete for prizes.

14. *Perishable articles.*—Vegetables, fruits, dairy produce, and other perishable articles, may, however, be delivered at the Exhibition Hall till 7 P.M., on 29th September 1908.

15. *Admission of exhibits.*—No exhibits will be admitted without a pass signed by the Secretary or members of the Committee on duty at the Exhibition grounds.

16. *Responsibility of exhibitors.*—Exhibitors will have to pay every expense of transit, delivery, fixing and removing their exhibits, and they must either personally or by their agents or servants superintend their reception and removal, in default of which the Committee reserve to themselves the right of doing whatever may be considered necessary, at the expense of the exhibitor.

19. *Special arrangement to be made at the exhibitor's expense.*—If the exhibitors require any special arrangements to be made (or have to mount their machinery) they must carry them out at their own expense, but the Committee will be glad to give such aid as may be possible in the shape of getting skilled or unskilled manual labour at the exhibitor's expense. The expenses of demonstrating machinery and implements should be borne by the exhibitor except where special arrangements have been made with the Committee.

20. *Valuable exhibits.*—All valuable exhibits must be forwarded under the charge of an attendant.

21 *Exhibits unaccompanied by men in charge.*—Exhibitors who are unable to attend personally or send their agents in charge of exhibits may make special arrangements with the Committee for the exhibition of their goods on payment in advance in full of the estimated expense.

22. *Weighing of exhibits.*—The Committee entrust the work of receiving the exhibits to responsible officials. But as the goods are landed near the Exhibition grounds by special arrangement, it is not possible to weigh every consignment before taking delivery of it. So exhibitors are requested to take every possible precaution in packing their exhibits and to send to the Committee in time an accurate list of exhibits sent by them. Exhibitors who wish that their consignment should be weighed at the Railway Station before delivery should intimate their wish to the Secretary in time and remit in advance a special fee of one rupee on each consignment to be thus weighed.

23. *Acknowledgment of exhibits.*—Receipt of exhibits will be acknowledged by return of the duplicate list mentioned in para 10 to the exhibitor duly signed by the Secretary. No other kind of receipt will be sent. Any differences between the list and the articles actually received will be noted in the duplicate list.

26. *Space for exhibits on sale.*—Accommodation will be found within the Exhibition grounds, as far as possible, for articles intended for sale.
